How to order a philly cheesesteak:

A classic philly cheesesteak at Moochie's consists of thinly sliced ribeye steak, grilled onions, and is topped with melted American cheese (we use a good quality cheese).

1. Choose either a 6-inch or 12-inch sandwich.
2. Let us know if you do NOT want onions.
3. Let us know if you would like to add fresh grilled mushrooms, and /or roasted bell peppers, or any other variations.
